Allison Roberts of AMR Law, LLC Joins Prevention Resources, Inc. Board of Trustees

Flemington, NJ - Prevention Resources, Inc. is pleased to announce that Allison M. Roberts, Esq., founding attorney at [AMR, LLC](http://AMR.LLC), has joined the Prevention Resources, Inc. Board of Trustees effective January 25, 2022.

"As a member of the Hunterdon County Drug-Free Task Force for the past two years, I have seen the commitment of Prevention Resources and its knowledgeable staff in Hunterdon County. Many of our families in crisis need support in several areas: substance abuse treatment and service, access to safe housing and education, healthy food, and mental health support. When one area falters, often the others will suffer as well. The continuum of services is essential to healthy and thriving communities. I am honored and proud to assist in these efforts with this great group of dedicated and thoughtful professionals and community members," said Allison Roberts.

We would also like to announce the new slate of officers for this year with Dave Johnston of Amwell Ridge Wealth Management as our Board President, Jim Mueller of Investors Bank as First Vice President, DJ Wright of Wright and Ford Funeral Homes as Second Vice President and Joe Gerko of Northfield Bank as Treasurer.

We extend our warmest thanks to Chris Phelan of the Hunterdon County Chamber of Commerce for his terms as President and are pleased he will join us as immediate Past President. We also thank Chris Ondrak of Gilded Lily Florist, Mike Shreck of Reagent Chemical, and Kyle Kudla of TD Bank who have expiring terms and will be leaving the Board.
